

C.A.R.E. Team Data Meeting Protocol

Step 1

- How many students were Above, At, Below, & Well-Below Target?
- 5 minutes

Step 2

- Use this information to determine groups for skills & intervention.
- 10 minutes

Step 3

- What skills & strategies will be used with your groups?
- 15 minutes (Strategy Brainstorming)

Strategy Brainstorm Protocol

Identify the target skill for the group
(5 minutes)

Each person in the group has 30 seconds to suggest a strategy.

No judgements or cross-talk.

Individual & Group Reflection
(5 minutes)

1 minute silent reflection
(What is doable?)

30 seconds individual reflection
(What is the best strategy?)

Next Steps
(5 minutes)

Identify one key "next step" everyone agrees with.

Discuss the action plan-Who, What, When, Where of the instruction.
